

## **Leadership Development Programme for Urban Cooperative Bank Sector**

National Centre for Cooperative Education (NCCE) of NCUI conducted a Leadership Development Programme for Urban Cooperative Bank of India from 19-21, June 2017 at NCCE, New Delhi.

The programme was aimed at developing their leadership and managerial skills with special focus on cashless & digital banking. 34 participants from eight states like Rajasthan, Kerala, Punjab, Gujarat, Karnataka, Telangana, M.P. and Maharashtra participated in this programme.

The participants were also provided with a platform to interact among themselves and discuss challenges and issues as well as their solutions for proper functioning of cooperatives. The effective communication & Leadership Skills for Board of Directors are very important to achieve the targets and providing satisfactory services to the members. Therefore, different subjects were incorporated in the training capsule for the banking sector.

In the Inaugural function, Dr. V.K. Dubey, Director, NCCE said Education & Training is a continuous process. He also said the Cooperative Banking sector is playing a very important role in providing loans to the small businessmen and weaker sections to help them start their enterprises. Now a days the urban and T/C have potential to compete with the private and nationalised banks but it is needed to improve their working better with innovative technology and professional management. Sh. Yogesh Sharma, Director, NAFCUB was also present on this occasion.

In the valedictory remarks, Sh. N. Satyanarayana Chief Executive, NCUI said that all participants should work in the light of cooperative principles for upliftment of social and economic conditions of cooperative members. The participants placed before, Chief Executive about problems due to recent changes of Govt policies in transition of finance Dr. A.R. Srinath made a vote of thanks. Sh. Anant Dubey, Assistant Director, NCCE coordinated the programme.
