

# **Training Programmes on Cooperation and Cooperative Management for Officers of IFFCO**

**from 28 February, 2017**

**at IFFCO Sadan, Saket, New Delhi**

National Centre for Cooperative Education (NCCE) of NCUI has conducted a training Programmes on Cooperation and Cooperative Management for Officers of IFFCO from 28 February, 2017 at IFFCO Sadan, Saket, New Delhi for development of their managerial skills for increasing day-to-day performance special focus was given on Cooperative Management system and role of employees. Total 34 participants were benefited in the programme. The prime objective of the programme was to equipped the officers with cooperative thoughts, principles and Act & Rules so that they can do work professionally as per cooperative theme and norms of their organisation. Programme was tailored as a training capsule for cooperative fertilizer sector personnel.

Shri D.K. Dhamija, Senior Manager, IFFCO and Dr. V. K. Dubey, Director, NCCE inaugurated the Programme on 28.2.2017 and said, that Education & Training is continuous process and very important tools to improving their capacity for better performance. He also said that the Cooperative Fertilizer sector is playing very important role in green revolution in India by providing fertiliser, pesticides and new technology to the farmers for improving their production. Besides, the information are also provide to farmers about agriculture and allied activities like dairy, fishery, bio-fertiliser, storage etc. Now a days the IFFCO have potential to compete with the private / nationalised fertiliser companies. The various relevant topics were discussed by faculties of NCCE i.e. Concept, Principles and Values of Cooperation and its application, Special features of cooperatives organization, Cooperative Management with special focus on IFFCO, Silent features of Multi-State Cooperative Societies Act 2002 focus on IFFCO Management, an overview of Cooperative Movement in India and Recent Trends for smooth functioning of cooperatives etc.

On the occasion of valediction, Dr. V.K. Dubey, Director, NCCE said that the knowledge gained by the participants may be utilised in their work place for better prospectus. Shri Anant Dubey, Assistant Director, NCCE coordinated the programme successfully and all participants highly appreciated the programme and suggested such programme must be organised for all employees.
