

The National Centre for Cooperative Education of NCUI trained Cooperative Education Instructors

NCCE organised a three days Review cum Refresher Course for the Cooperative Education Instructors (CEI's) of its Cooperative Education Field Projects from 5-7 June, 2017 at NCCE, New Delhi.

The objective of the programme was to make aware the Government policies and programmes and enrich the CEI's about the recent innovations in the field of agricultural sector.

A number of 41 participants from various Cooperative Education Field Projects located in cooperatively under developed areas of the country attended to this programme.

Dr. K.P. Wasnik, Additional Commissioner, Ministry of Agriculture & Farmers Welfare, GOI inaugurated the programme in the presence of Shri N. Satyanarayana, Chief Executive, NCUI and other Senior Officials of NCUI. Dr. Wasnik briefed the participants about the formation of Self Help Groups and Skill Development of Rural Poor so as to help to execute the skill training programmes in the project area for income generation of rural population.

Shri N. Satyanarayana, Chief Executive applauded these project personnel for their work and assured them that NCUI will go an extra mile for their motivational enhancement for better results.

Dr. V. K. Dubey, Director NCCE suggested to acquaint themselves with the policies and direction of the ministry, so as to implement the same at the grass root level for better performance.

The programme was successfully coordinated by Shri Ramesh Kaul, Deputy Director, Projects.
