

NATIONAL CENTRE FOR COOPERATIVE EDUCATION

Press Release

Programme on Cooperation and Cooperative Management for the personnel of IFFCO Plant from 19-20 April, 2017 at IFFCO Plant, Phulpur (Uttar Pradesh).

National Centre for Cooperative Education (NCCE) of NCUI has trained the personnel of IFFCO by imparting a Programme on Cooperation and Cooperative Management from 19-20 April, 2017 at IFFCO Plant, Phulpur (Uttar Pradesh). 25 participants were benefitted with the programme. The programme was inaugurated by Shri Nakul Srivastav, Executive Director, IFFCO Plant, Phulpur. He said in his inaugural speech the training is very important tools for upgrading the knowledge and better performance of the employees. He extends his thanks to NCUI for imparting such programmes. He also advised the participants to concentrate the programme and discuss with faculty their doubts on different points. He also requested to NCUI to continue such programmes in future for motivation and up gradation of knowledge of personnel, so that they equipped with cooperative thoughts and philosophy and change their attitude for better day to day work. Shri R. V. Maite, DGM (Technical / Training), Shri Subroto Sur, Sr. Manager and Training Head, Shri Anurag Tiwari, Dy. Manager (Training) were also present on the occasion and expressed their views. Dr. S.L. Tripathi, Ex-Professor, NCCT (NCUI) has told importance of training and said that the training is a investment not expenditure and it is the very important source to improve the personality of employees. The various relevant topics were discussed by experts / faculties of NCCE and Other Experts i.e. Cooperative Thoughts, Concept and Growth in India, Cooperative Identity, Principles, Values and & its Applications in Cooperative Functioning, Special Features of a Cooperative Organisation Differentiate from Private and Public Sector, Problems and Challenges before Cooperative Movement in India, Salient Features of Multi State Cooperative Societies Act, 2002, 97th Constitutional Amendment, Cooperative Management with Special Reference of IFFCO, Role of Cooperative in Rural Development, Agriculture inputs Supply and Extension Services of IFFCO for Agriculture Development etc. during the programme

As IFFCO is a world leader for fertiliser production in cooperative sector by adopting innovative technology and expansion of its areas in India and different countries. Because of IFFCO is a visionary cooperative organisation, hence, it should be needed to smooth growth for the personnel must be aware about cooperative thoughts, management systems, working behaviour in production units, HRD policy effectively Role and Cooperative Act, Recent Changes and activities which are conducted by cooperative (IFFCO) for socio – economic development of Indian populace specially for farm and farmers development.

In the conclusion session DGM, Training and other Officers were present and review the programmes. The participants expressed their views and said that this programme is very useful, knowledgeable and needed for all employees of the Unit. They also suggested that the programme must be organised for three days. The participants and the officers of IFFCO were fully satisfied with the programme. Dr. V. K. Dubey, Director, NCCE coordinated the programme successfully and requested to participants apply the required knowledge at working place. All participants highly appreciated the programme. The Programme completed with vote of thanks.
