NOTIFICATION

The Cooperative Fair-2024

Background

National Cooperative Union of India (NCUI) organizes Cooperative Fair in the NCUI Campus every year. The first Cooperative Fair was organized during the 68th All India Cooperative week from 14th to 20th November 2021. The theme for the 68th all India Cooperative week was “*Prosperity through Cooperation*” (सहकार से समृद्धि), which was coined by the Govt. of India at the time of formation of the Ministry of Cooperation.

The Cooperative Fair 2021 was inaugurated by the Hon'ble Minister of State for the Ministry of Cooperation Shri. B.L. Verma. The fair was very well received by the general public due to quality products available at reasonable prices. As a hand holding gesture to promote the spirit of cooperation.

The Cooperative Fair-2023 was organized last year and appreciated immensely by the eminent Co-operators, Participants, Media Houses, Noted Personalities and the General Public. This has motivated us to organize the event this year also.

Announcement of the Cooperative Fair 2024
